1. Registering with Grants.gov

SBA requires the use of the Grants.gov website for submission of all grant application packages. If your organization hasn't already done so, it must register with Grants.gov before it can apply for this funding opportunity.

Registration creates a profile of basic information about your organization including the staff members who are authorized to submit applications on its behalf. These steps take a number of days, so please don't wait until the last minute if you have a deadline approaching! If you have problems registering with Grants.gov, call the help desk at 1-800-518-4726.

The checklist below has been designed to help guide you through the Grants.gov registration process. Complete instructions for registering with Grants.gov are located at www.Grants.gov.

A glossary of terms and links to important online resources follow the checklist.

2. List of Required Forms

To apply for this funding opportunity, you must provide the forms listed below on through Grants.gov. Also, you must download the full Program Announcement for other mandatory requirements.

What you need to do	Time it takes	Tips
<p>1. Find out your institution's DUNS number</p> <p>All institutions applying for federal grants are required to provide a DUNS number. The federal government has adopted the use of DUNS numbers to keep track of how federal grant money is dispersed.</p> <p>Ask your grant administrator or chief financial officer to provide your institution's DUNS number. Research universities and most colleges, independent libraries, and large organizations already have DUNS numbers.</p> <p>If your institution doesn't have a DUNS number, call the special Dun & Bradstreet hotline at 1-866-705-5711 to receive one free of charge.</p> <p>More information about DUNS numbers is available at http://dunandbradstreet.com/us/duns_update/index.html.</p>	<p>You will receive a DUNS number at the conclusion of the phone call.</p>	<p>Record and protect your DUNS number and have it available for quick reference in the following steps.</p>
<p>2. Register your institution with System for Award Management(SAM)</p> <p>SAM is a government-wide registry for organizations that seek grants from or otherwise do business with the federal government. SAM will house your organizational information, allowing Grants.gov to verify your identity and to pre-fill organizational information on your grant applications. Ask your chief financial officer, grant administrator, or authorizing official if your organization is already registered with SAM.</p> <p>Remember that registration with the System for Award Management must be confirmed each year for your Grants.gov registration to remain valid.</p> <p>If your organization is not registered, you can register online at www.SAM.gov or apply by phone (1-888-227-2423).</p> <p>When your organization registers with SAM, you must designate:</p> <p>1) SAM Point of Contact (SAM POC). This individual is responsible for maintaining the accuracy and timeliness of the information in SAM's registry. Upon successful registration, SAM POC will receive a T-PIN (Trading Partner Identification Number) that will enable him or her to update your organization's SAM information as necessary.</p>	<p>This is the most cumbersome step. We recommend that you allow up to 3 days to gather information and prepare the application. After you submit your registration information, SAM will send an e-mail confirmation, generally on the same day.</p>	<p>The SAM site uses terminology that is more appropriate for profit-making organizations than for non-profits. Do not be confused by terms such as vendor, contractor, etc; just provide the requested information.</p> <p>Record and protect your T-PIN and M-PIN. Keep track of the staff designated as Points of Contact.</p>

<p>2) An Ebiz Point of Contact (Ebiz POC). This individual will have sole authority to designate the staff member(s) who can submit grant applications on your organization's behalf through Grants.gov. The same individual may serve as both SAM POC and as Ebiz POC.</p> <p>During registration, you also will be asked to designate a special password called a Marketing Partner ID or "M-PIN." This password will be used in Step 4 below.</p>		
<p>3. Register with Grants.gov credential provider</p> <p>Each staff member who will be submitting applications on your organization's behalf must first register with Grants.gov's credential provider. These staff members are called Authorized Organization Representatives (AORs). Before starting on this step, your SAM registration (Step 2 above) must be complete. Grants.gov recommends that you wait one business day between registering with SAM and registering with Grants.gov's credential provider.</p> <p>To register, each AOR must apply for a User ID and password from Operational Research Consultants (ORC) at apply.grants.gov/OrcRegister. AORs will need to know your organization's DUNS number in order to complete the process. We recommend that each AOR print out the ORC eAuthentication Account Confirmation and keep it for his/her records.</p> <p>AOR User IDs and passwords serve as "electronic signatures" when your organization submits applications through Grants.gov.</p> <p>It is possible for the individual who serves as your organization's SAM POC and/or Ebiz POC to also serve as the AOR (or as one of the AORs).</p>	<p>Same day.</p> <p>AORs will receive usernames and passwords when they submit their information.</p>	<p>An organization does not need more than one AOR. While the AOR is the only one who can submit applications, others (e.g., project director, development director) can work on the proposal prior to submission.</p> <p>AORs should record and protect their UserIDs and passwords, and have them available for quick reference.</p>
<p>4. Register with Grants.gov</p> <p>Finally, your organization's AOR(s) must register with Grants.gov at https://apply.grants.gov/GrantsgovRegister using their User IDs and passwords obtained in Step 3.</p> <p>Registration creates an account on Grants.gov that enables your organization to name and confirm authorization for one or more AORs and then allows the AOR(s) to submit applications on your organization's behalf.</p> <p>When an AOR registers with Grants.gov, the Ebiz POC for your organization will receive an e-mail notification. Your Ebiz POC must then log on to Grants.gov (using</p>	<p>Same day.</p> <p>Registration will be complete when the AOR submits his or her information. Registration approval depends on the time it takes your Ebiz POC to log on and approve the AOR.</p>	<p>If you are uncertain about your organization's AORs, contact Grants.gov with your DUNS number and they can check for you.</p>

<p>the DUNS number from Step 1 and the MPIN password from Step 2) and approve the AOR, thereby giving him or her permission to submit applications. When an Ebiz POC approves an AOR, Grants.gov will notify the AOR via e-mail.</p> <p>AORs can also log in to the Applicant home page at www.grants.gov/ForApplicants using their username and password (obtained in Step 3) to check if they have been approved.</p>

Grant Forms - Instructions and Guidelines

This section provides the guidelines and instructions for the forms that are required for the grant program to which you are applying. These forms must be completed to submit your application. They are the:

1. **Application for Federal Assistance (SF-424)** -- this form asks for basic information about your organization. Instructions how to complete this form are located in Attachment B of the program announcement. **Note:** Block 15 should reflect total funding for the upcoming program year of this proposal. Do not include program income. If submitting the first year of a multiyear proposal include 424s for subsequent budget years in SBA Attachment Form attachment 15.
2. **Budget Information - Non-Construction Programs (SF-424A)** -- this form is the applicant's estimate of the total cost of performing the project or activity for the upcoming program year of this proposal. Individual center budgets should be entered in SBA Attachment Form attachment 5.

All proposed costs reflected in the budget must be necessary to the project, reasonable and otherwise allowable under applicable cost principles and Agency policies.

3. **Assurances - Non-Construction Programs (SF-424B)** -- this form is for certification that the organization will comply with all applicable requirements of the Federal laws, executive orders, regulations, and policies governing the grant program.
4. **Disclosure of Lobbying Activities (SF-LLL)** -- this form requests disclosure of any lobbying activities pursuant to 31 U.S.C. 1352.
5. **SBA Attachment Form** -- when you open the SBA Attachment Form, you will find 15 attachment buttons, labeled "Attachment 1" through "Attachment 15." By clicking on a button, you will be able to choose the file from your computer that you wish to attach. Formats for each of these forms/worksheets are available at
